Dear 

It's been quite a while since our last conversation, a circumstance I regret. From what I understand however your workload has gotten considerably larger. If it makes you feel any better, I don't think I've slowed down any either. Perhaps we're both just getting old. In any case, I'll make this fast and painless.

I'm requesting a fast turnaround on your review since the manuscript is slated for final publishing review next month, and physical printing during the Holidays. A release date of March 2 is currently scheduled.

Best,
